

DIRECTIONS TO OMF JAPAN HEADQUARTERS & GUEST HOME BY TRAIN

From Haneda Airport

The usual route

You can get a ticket from Haneda Airport to Ichikawa by pushing the "Change to JR" button –

The fare is ¥760. This includes the monorail fare.

Take the monorail to Hamamatsucho; be sure to take your ticket when you come through the gate at Hamamatsucho. Change to the Yamanote line heading towards Tokyo/Ueno. Change at Akihabara to the Sobu line, towards Nishi Funabashi/Chiba. Get off at Ichikawa. It is about 20 minutes from Akihabara.

Alternative route

At Haneda Airport, go to the Keikyu railway station. Get a Change to JR Shinagawa ticket for ¥ 780. Go to Shinagawa; be sure to take your ticket with you when you go through the gate.

At Shinagawa go to platform 13 for the Yokosuka / Sobu Rapid line for Tsudanuma / Chiba Narita. Get off at Ichikawa. This trip is about 30 minutes from Shinagawa. The advantages of this route are a single change, shorter walk and fewer stairs than the monorail option.

After either route

Get off at Ichikawa Station, exit through the main ticket gates (many gates – do not exit into the shopping mall where there are only 3 gates). Turn right to go to the North Exit. From the top of the steps you will see a Daiei Supermarket on your right, and straight ahead across the "square" is Kojima Jewelry. Walk past Daiei toward Kojima and turn right in front of Kojima along a pedestrianised street beside a bicycle parking area. Walk down this pedestrian street and cross over the intersection where it becomes a narrow one-way street; here there is a florist shop on the opposite corner and after another 50metres you will pass "Royal Mansion" apartments on your left. Keep going for several "blocks" until you arrive at the OMF sign on a corner and turn left into our road. The first building on your right (pink/beige tile) is the Guest Home. The second building on the right (green tile) is the Headquarters. The walk is about 7 to 10 minutes.
