

OMF International Japanese Language Centre
Explanation of charges and conditions for use of courses by
non OMF missionaries or Japanese teachers.

We are very pleased for our courses to be used by students of Japanese and particularly missionaries provided the user agrees with the following conditions.

Costs for courses consist of :

1. The **actual costs (where applicable) of recording of CDs, stationery, postage, etc.**
2. A **course usage fee** for non OMFers only. The course usage fee (between ¥500 and ¥1,000) varies according to the length and complexity of the course so please see the accompanying chart for details.

The account details are as follows: Account number: 00150-7-776571
Account name: 国際福音宣教会 (こくさいふくいんせんきょうかい) Kokusai Fukuin Senkyokai.

3. You are free to copy the materials for your own use but request that if you give or teach it to another individual you ask that person to pay the course usage fee to you and then remit it by postal furikae to the OMF International Japanese Language Center postal account. For example, if you have two people wanting to study the Bible course, the fee payable to JLC is ¥1,000 and if three people, then the fee is ¥1,500. These “course usage fees” go towards the cost of paying staff to develop the courses.
4. We would also like to request that if you find any errors or anomalies in the texts you would let us know. Please do NOT change the texts without permission. We apologize in advance for any errors there may be despite repeated checking.
5. From time to time we update, revise or produce new courses so please feel free to ask if there are any updates or improvements.

We do hope that our materials may be used for the Lord's glory in enabling missionaries in their language study. Please do not hesitate to contact Miriam Davis, (OMF Language Advisor).
